## **CHAIRMAN'S LETTER**

What a year 2025 was, five months of drought, four heat waves, and yet you the members still managed to put on a splendid array of show exhibits.

The spring: not our usual sea of daffs but the stand out class—the pots of tulips, wow just wow!

The summer show: just amazing seeing an increase in so many areas—the real show stoppers had to be the class 'that pot on the porch' so here's hoping the 'morning harvest basket' will be as successful in 2026.

A thank you to those who donated their twiddle muffs & made extra, along with those from Lambourn 15 went to the dementia club. So I am hopefully the squares that are being donated for end of life blankets can be as useful. The arts & crafts, home crafts most certainly benefited from the heat wave with so many entries, so many talented folk in the society.

The autumn show certainly stepped up a gear with the top fruits a plenty. The children's classes just an amazing amount of creativity, let's hope that continues into 2026 & beyond.

The potato bag is making an appearance once again but, also a sapling grown from a nut. But the class of all classes for the autumn show this year 'a vegetable disaster,' go on surprise me. Let's hope that Mother Nature is kinder to us this year with the amazing amount of village events going on. Please check our website and subscribe to the calendar to make sure you don't miss any.

So thank you all from the bottom of my spade for being members and who make our society great, the committee for all their input over the last year & into 2026.

Happy Growing & Showing

Dee

## **SHOW RULES**

**The Ramsbury Horticultural Society is associated with the Royal Horticultural Society.**

The Society's Shows will be conducted in accordance with the rules and standards contained in the RHS's Show Handbook, except where, under the schedule, they obviously do not apply.

**1 Exhibits** must be the property of the exhibitor. All flowers, fruit and vegetables must either have been grown by the exhibitor, or have been in their possession for at least 2 months. Produce from an employers garden must be entered in the employers name.

All exhibits in the HOME INDUSTRIES, ARTS AND CRAFTS AND PHOTOGRAPHY sections must have been made by the exhibitor and must not have been previously shown in a show organised by the society.

**2 Collections/unspecified vegetable and fruit classes.** The number of each kind of vegetable or fruit should be set out in the individual classes. Where exhibitors wish to enter a kind of vegetable or fruit not listed in the individual classes, reference should be made to the Show Secretary who will agree the numbers to be shown.

**3 Exhibitors** should provide a plate, tray, basket, glass, vase or other suitable receptable for exhibits. Vegetables must be clean and outer leaves should be removed. Exhibitors are reminded that care in display not only improves the look of the show, but may also help in the competition.

**4 Exhibitors** are allowed to enter a maximum of 3 exhibits per class, but the exhibits must be different from one another, i.e of a different variety or type.

**5 An exhibit will be disqualified** (a) if it does not contain the exact number of specimens called for in the schedule; (b) if it is not in the particular type of receptacle specified and if any of the points in Rule 1 or 4 are not adhered to.

**6 The committee** shall have the power to decide whether an exhibitor is eligible to enter any particular class. It also reserves the right to inspect the garden or allotment of an exhibitor any particular class.

**7 Trophies in adult classes will only be awarded to paid up members of the Society who live within the Whitton Benefice**

**8 Employed – Self Employed** Gardeners who reside with the Whitton Benefice MAY enter the shows but the employers name must be displayed as per Rule 1 or listed as own allotment / garden. **Professional Exhibitors** those who enter into Shows larger than Ramsbury Horticultural Society & Commercial Nurserymen, those who grow plants en masse for financial reward may NOT enter into those classes. Example Dahlia Exhibitor or Grower may NOT enter into ANY Dahlia Class.

**9 Judging.** The judges shall have the power to withhold any prize if, in their opinion, there is insufficient merit. They may also award a prize (or card) to any deserving exhibit in excess of the prize authorised by the schedule.

**10 Loss or damage.** All exhibits, personal property etc, shall be displayed at the risk of the exhibitor and the society shall not be liable for compensation for loss or damage from any cause whatsoever.

**11 Protests.** Any protest must be made in writing and delivered to the show secretary before 3pm on the day of the show. A deposit of £2 must be made with the protest and this will be refunded if the protest is upheld or at the discretion of the Committee.

**12 The show steward's decision is final.**

**13 Trophies.** Trophies are the responsibility of the winner from when they are engraved until being returned for the same show the following year.
